

## A<sup>2</sup>C...Where the adventure begins!

Our philosophy is to develop each individual's core character using sports and activities as tools to capture experiences that lead to maturity. We are excited to partner with parents, helping them to raise healthy, happy, responsible children.

### **The ONLY camp where YOUR KIDS CHOOSE...**

★ We have purposely scheduled “double” activities at special times throughout the week so campers are able to participate in the activity of their choice!

★ During extended hours, your child will be able to participate in the quiet activity of their choice.

★ It's all about the options. Kids know what they like and we're sure they'll love our summer camp! Kids CHOOSE our camp time and time again!
